# Zone Reps report February 2019

Hello All,

The pony club year in the Midland Zone is off to a momentous start with two MZ members gaining higher certificates. I'm sure Nicki Chalmers will go into more detail in her report. I would like to add my congratulations to Kayla Blasco from Bealiba club on obtaining her C\* and Paris Fielder from Horsham PC on obtaining her K. It would be wonderful to see both these girls go on to do their B certificate Pony Club offers opportunities for riders with their B to travel and compete overseas. No other horse riding association does this but pony club.

I am confident that what these riders have achieved will also encourage other clubs to incorporate more than just the 3 Olympic disciplines in their rally plans, on a regular basis. There is much talk about the declining membership in pony club. Really the buck stops with individual clubs. Our model is so unique. We are the only horse riding association that has a Syllabus of Instruction that recognises levels of competency. We have examples of clubs in our own Zone that are growing well in memberships and this is largely due to following the syllabus and encouraging riders to participate in all things pony club.

I hope every D.C in the Zone is aware of the fantastic Rally planning resource on the Zone website but in case not, this is the link.

http://www.midlandzone.ponyclubvic.org.au/site/ponyclub/midlandzone/d ownloads/Zone%20Extras/Rally%20Planning%20Guide.pdf

I attended the first State Council meeting for the year last Tuesday. It was discussed that we need consistency in the information communicated to clubs from these meetings. Rick Gill who is the executive officer of PCAV and who takes the minutes at the meetings agreed to put out a summary of the information for clubs within 4 days after the meeting. The summary of the recent meeting has been sent to all clubs and this should be forwarded to all members.

The Midland Zone's major annual fundraiser, The Victorian Pony Club Team Championships is again being held over the long weekend in March. It would be so great to see the majority of the mighty Midland Zone clubs represented at this event which is held only for the benefit of our riders, but which is enjoyed by all riders who participate.. Entries close on February 25<sup>th</sup>. If your club can't field a full team we can add riders to a composite team.

Wishing the best of luck to the Midland Zone riders who will be representing their Zone at the State Showjumping and Dressage Championships over the first weekend in March at the Pony Club Victoria Equestrian centre in Gladysdale. For some of the riders it is their first time at State. Its going to be a great weekend and I know our riders will do their clubs and their Zone proud.

The 2019 rule books have been released in hard copy. I encourage all clubs to have a hard copy of the Hand Book of Bylaws available in their club rooms. Our riders are lucky to have 24/7 insurance but please be aware that this insurance can also be compromised if the insured has not done all that is reasonable to reduce risk and for the exposure to a claim. For instance, not wearing a helmet and then sustaining a head injury from a fall. The rules mean we can operate as an association. They aren't there as a road block to enjoying our support but to support it and to do it safely.

Pony club places in order of significance:

- The safety of the member.
- The comfort of the horse.
- The enjoyment of the rider.
- The progress of the rider

If any club is unhappy with a rule there is a process to change it that must be followed this is:

Member clubs and zones, wishing to have business put before the state council, may do so following this path of information flow:

- i. A club member may submit business to their club and, if approved, the club will submit it to its zone. ii.
- ii. A club may submit business to its zone and, if approved, the zone will submit it to the state council.
- iii. A zone may have other general business at its committee meetings and, if approved, the zone will submit it to the state council.

Til next time,

Happy Horsing,

Sue

Concerns were raised about the condition of the venue for the show Jumping for the state qualifiers in Dec.	This was discussed at the Zone assured the area was assessed and it was determined that it was suitable for competition on the day.	
Meeting Closed	9:50pm	

In 1983 due to the vast distance to travel from one end of the zone to the other, it was decided to divide the zone into four sections, the sections being named A, B, C and D Each section to hold one zone event per year on a rotating basis giving riders from each section the opportunity to compete at zone level without having to travel long distances. The calendar rotation also includes the Zone AGM and dinner and the Zone Workshops of which there are 2 per year.

## 3.1. Club sections

Section A – Ararat, Beaufort, Horsham and Stawell. Section B – Charlton, Donald, Loddon and St Arnaud. Section C – Bendigo, Mandurang South, Neangar Park and Maldon Section D – Bealiba, Castlemaine, Harcourt and Maryborough.
