KAYE BLANCHARD

- PcaV AGM –Kaye Life membership, held at Sunbury
- Kaye spoke to the new delegates in depth about Kay Irving games. It was introduced to pony club riders that had a shaggy pony, snaffle bit and for any ability of rider to be able to compete. The Prince Philip is trying to come in over the top of Kay Irving games and what it stands for. Kaye was not in support of what other zones were doing with Prince Philip. Kaye felt it was far too serious competition for our riders losing the Kay Irving concept it was decided that there will be a games camp at Bealiba Jan 18/19/date tbc .
- Kaye also mentioned about the Midland Zone booklet which she would like all clubs to get. This would help the new members and understand how our zone works
- Aust U21 Kaye would like any ideas sent in for a format
- Kaye explained how the flat ride was introduced at the games and is going to encourage all clubs to field teams

Faye had a lengthy discussion about our zone events and the lack of helpers and how we can overcome this problem

Faye is going to delegate jobs if anyone is unhappy –speak to John

We need to encourage more gear checkers

Faye was very much in favour of the zone booklet and we are going to send copies to each club

Faye was in full support of Kaye and the games and discussed the games clinic in Jan and the second day will be a competition day for riders and parents so everyone can learn

GENERAL BUSINESS:

- St Arnaud reported on Pink Ribbon Day which they raised \$1000.00. Their Aug rally was a pink day and everything was well sponsored and in pink including food and all. The zone felt we should support and write a letter to PCAV encouraging all clubs to be a Pink Ribbon Aug rally day.
- Tracey Arbuckle moved and Clinton Hedger seconded
- Huntly is going to run the Dec zone event which is a state qualifier.
- NPPC, Mandurang Sth, Huntly and Bendigo are organizing a meetin with Faye our event organizer to coordinate the weekend. NPPC have the dressage arenas and BPC the Show Jumps. The toilet consist of just one, with this event they hope to be able to get a grant for some more amenities.
- First Aid is to be organized by the section which is running the event and the zone pays for first aid
- Charlton no longer have a Grade 1 and 2 course because of the major flooding in September. they are looking for support and the zone is happy to write a letter in support of any funding .

- Bealiba in Nov are running a competition as a warm up for state qualifier which was a great idea and welcomed by the zone.
- Zone horse trials was discussed and will be either Maryborough or Maldon next year to be discussed next meeting.

The club secretaries are responsible for forwarding their own club e-mail for events and clinic. It isn't the zone responsibility as we get unindated and time poor in forwarding them on quickly.
